

To donate money through **Xoom (a PayPal service)**, follow these simple steps:

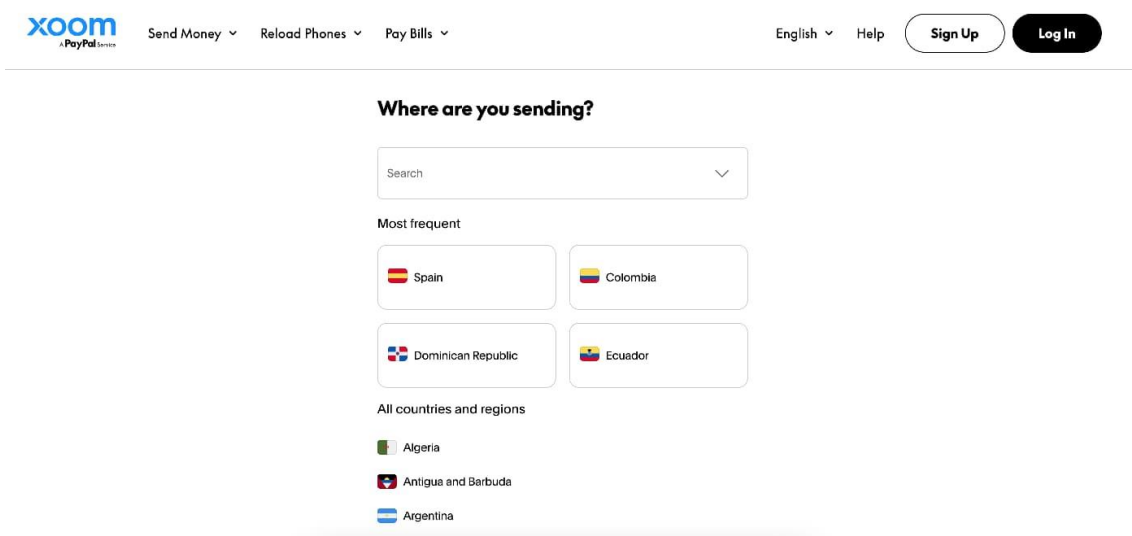

1. **Go to the Xoom website:**

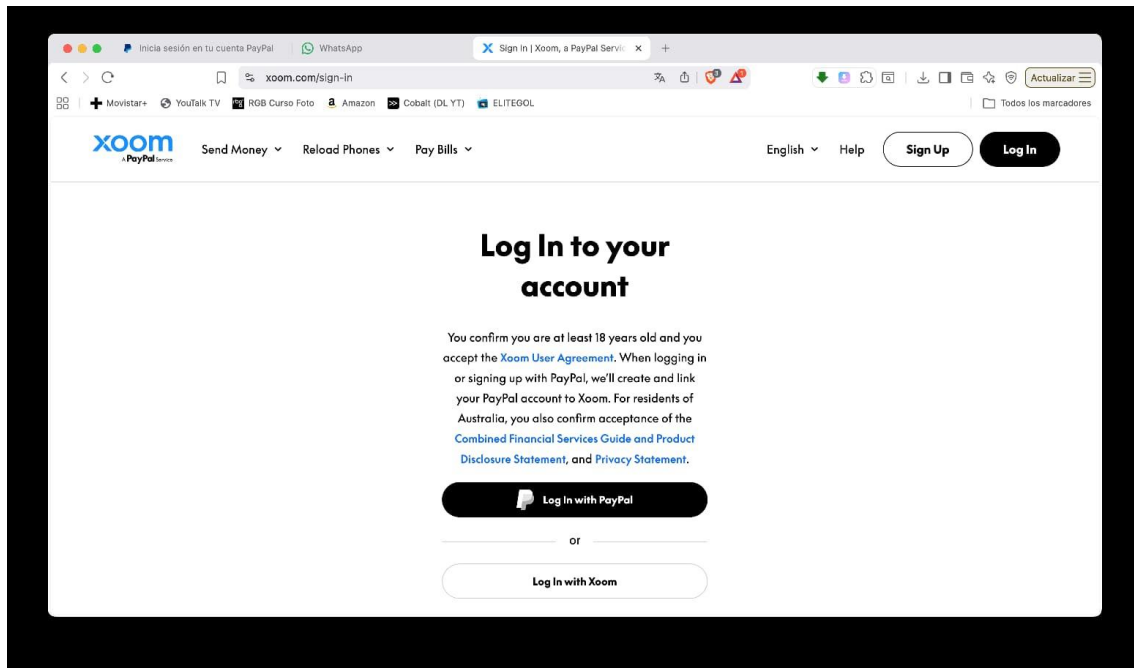

Open your browser and visit **www.xoom.com**. Once you are on the homepage, click **Send Money**.

2. **Log in to your PayPal account:**

On the next screen, before selecting the destination country, sign in to your PayPal account by clicking **Log In** in the **upper-right corner**.

3. **Select the destination country:**

After logging in, use the country dropdown menu to choose the country where you want to send the money.

In this case, select **Uganda**.

Where are you sending?

Search

uganda

 Dominican Republic

 Ecuador

All countries and regions

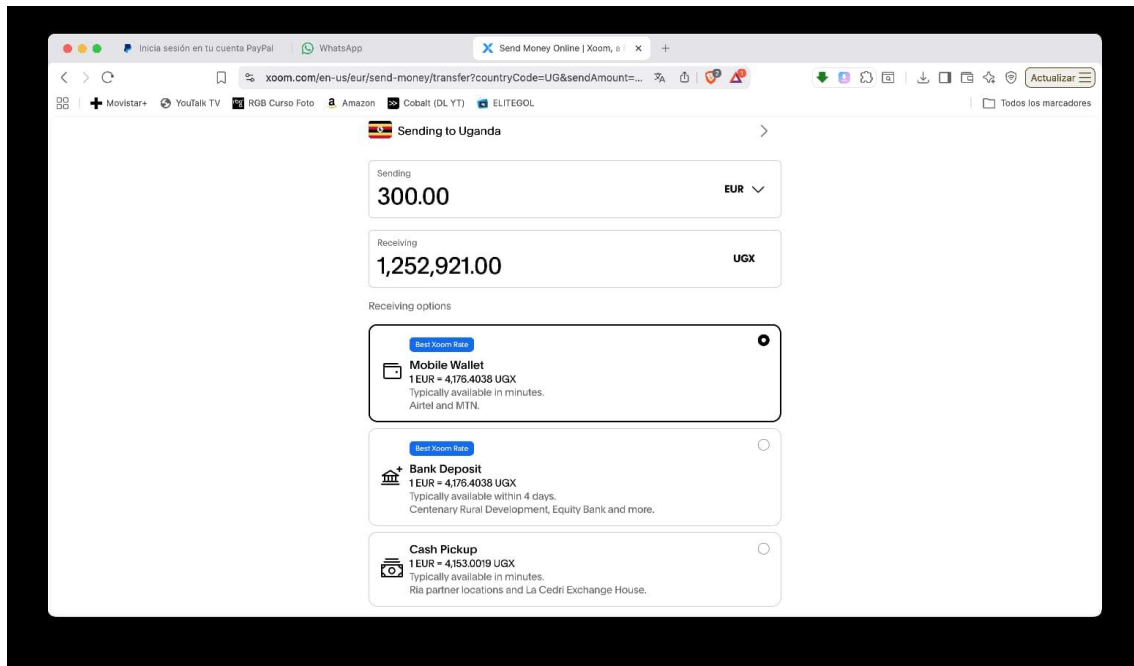

-  Algeria
-  Antigua and Barbuda
-  Argentina
-  Armenia
-  Australia

4. Enter the amount and choose the delivery method:

Enter the amount you want to send and select the transfer method.

Choose the **first option**, which is the fastest: **Mobile Wallet**.

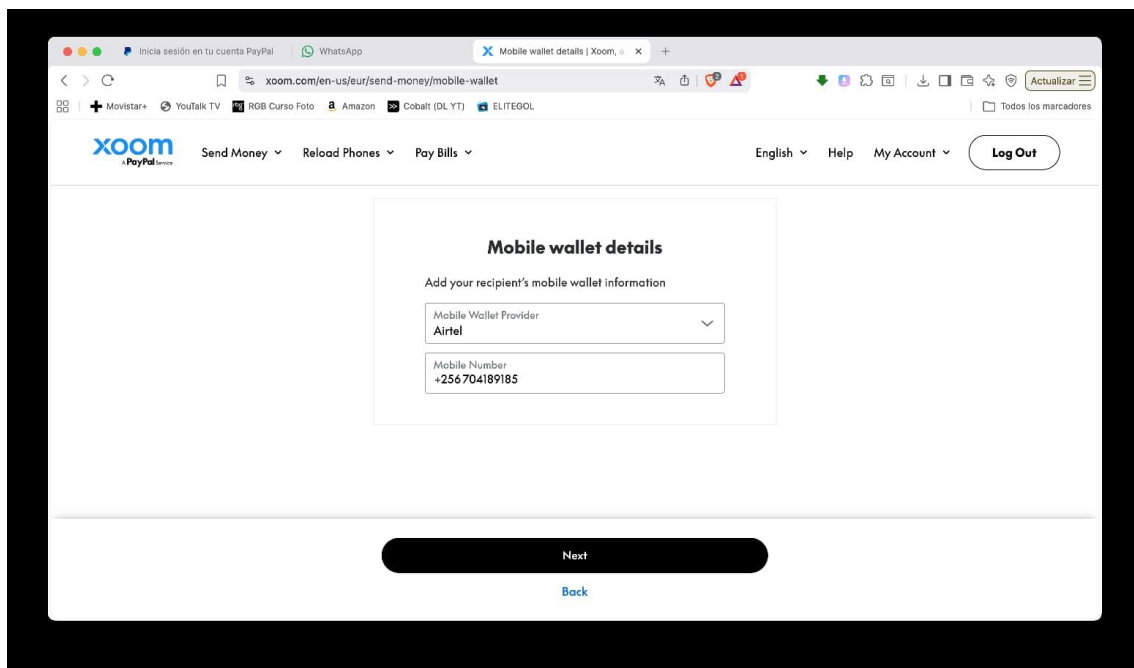

Scroll down and click **Next**.

5. **Choose the recipient's mobile provider and enter the phone number:**

Select the recipient's mobile network operator: **AIRTEL**.

Then enter the recipient's phone number: **+256 704189185**.

6. **Fill in the recipient's details:**

Complete the required recipient information fields as requested by Xoom.
